

Dear Members: I hope that you are continuing to stay safe and healthy.

There is cause for celebration because it looks like the County Courthouse is going to reopen on June 1st. While we all wait to get back to providing full Law Library access under a 'new normal' business model, we will continue to offer our members 1 free emailed document for each week that we continue to remain closed on the 4th floor. The code for the week of May 18-22, 2020 is located below. The code for this member benefit will change weekly, and benefits cannot be accumulated or rolled over from week to week. Members must provide the proper weekly code at the time the document is requested, and codes cannot be applied retroactively. The program will end when the County Courthouse reopens.

Here is the 3rd *Coupon Code*:

1 Free Emailed Document: Week of May 18-22 2020

Take care until we see each other again.
