

VOLUNTEERS NEEDED

LEGAL AID BRIEF ADVICE & REFERRAL CLINIC

In honor of the *Cleveland Law Library's* upcoming sesquicentennial, we are partnering with the *Legal Aid Society of Cleveland* to host a *Brief Advice & Referral Clinic** this May. We need your help to staff this Clinic with lawyer-volunteers. Please sign up by contacting Kathleen M. Dugan at the email or phone number below.

Date: May 15, 2019

Time: 2:00 p.m. - 3:30 p.m.

Location: Cleveland Public Library,
Louis Stokes Wing, 2nd floor Learning Commons
525 Superior Avenue, Cleveland, OH

Contact: Kathleen M. Dugan kdugan@clelaw.lib.oh.us

Phone: 216-861-5070

* The clinic will provide an opportunity for individuals to meet one-on-one with attorneys for a limited period of time about their problems. An attorney's commitment for the *Brief Advice & Referral Clinic* is limited to trying to help with advice or direction. Individuals are advised of the limited scope of attorney engagement at the time of intake triage so that there is no misunderstanding about the level of service being provided. If an attorney, however, would like to accept a case for extended representation, the case will be processed as a pro bono referral.

All clinics are first come, first served free advice events for low-income individuals with civil legal issues related to shelter, safety and economic security (not criminal).

Please Help Us Staff This Event!

Thank You.
