

THE CLEVELAND LAW LIBRARY

ON-DEMAND CLE: NOW AVAILABLE FROM THE CLEVELAND LAW LIBRARY

The Cleveland Law Library has just launched its own On-demand CLE [website](#). On-demand programs are self-study courses that you can purchase and watch online at your convenience 24x7, at any time of the day or night! We are rolling out our first two approved classes today with these popular programs that we held earlier this year:*

Practical Drafting Considerations For Ohio's New LLC Statute

Ohio LLCs: Formation And Operating Agreement Issues

[Click here](#) to go to our Online Catalog to purchase either of these classes now.

First time users will have to register by creating a user ID and password. Once you purchase a program, you will be able to watch the class video and download course materials. Upon successful completion of the program, you will receive a Certificate of Completion, and the Law Library will report your attendance to the Ohio Supreme Court.

Coming Soon: We will be adding the following two approved programs later this month that cover Ohio attorneys' 2.5 hours of professional conduct instruction:

Professional Conduct For Lawyers 2021 (1.5 hours)

Remote & Virtual Law Practice (1.0 hour)

Stay tuned for more information, or just stop back at our [Online Catalog](#) to purchase additional classes as they become available.
